DANCE-OPOLY

A Fun Property Trading Game With A Dance Twist!

DANCE-OPOLY is a game based on the world of professional dance. It has all the fun and action of a traditional real estate trading game with some great dance twists.

Buy your favorite dances; Tap, Ballet, Jazz, Modern, Street, Irish-Step, Flamenco or Ballroom. Then build Dance Studios teaching students from Beginning through Advanced. Your dance schools expand into Professional Dance Theaters.

The back of each Dance Deed is filled with historical facts about that dance. Do you know........

Who is the father of American Jazz Dancing?

Jack Cole is considered to be the father of American Jazz dancing.

When did the first Ballet school open?

The year was 1661 in France and only men were allowed to dance the ballet, women were not allowed until 1681.

What is the core dance of all Street Dances?

The year was 1661 in France and only men were allowed to dance the ballet, women were not allowed until 1681.

IT'S ALL FUN UNTIL: The Company Manager puts you on DANCE SUSPENSION for 3 Turns for being late to 30 Minute Curtain Call!

Whatever Happens, It's a Great Time!

Standard Play or One Hour Version for 2 to 6 players. Ages 8 and Up
